

Cefic, the *European Chemical Industry Council*, is both the forum and voice of the European chemical industry. It aims to maintain and develop a prosperous chemical industry in Europe by promoting the best possible economic, social and environmental conditions to bring benefits to society.

Cefic is located in Brussels and employs more than 150 people. Cefic represents the European chemical industry vis-à-vis the EU Institutions and involves its member federations and companies in European advocacy.

Cefic is actively looking for a (M/F)

Temporary Legal Manager on EU Regulatory issues

Period: By mid-May 2017 and for 6 months

The Manager advises on upcoming legislation and provides support for the implementation of the regulations applicable to the chemical industry in Europe. He/she will work closely in cooperation with Cefic Member Companies and Federations, as well as with EU authorities involved.

In particular, he / she will:

- Lead and manage the Better Regulation working group and the Environmental Law working group
- Support companies and federations in mastering environmental legislation
- Contribute to the EU Better Regulation policy and to the work of the different authorities involved (Commission, Parliament, Council)
- Give legal advice on the interpretation of EU legislation, court cases or general principles and specific application of legislation
- Report to the Executive Director for Legal Affairs

Requirements:

- Master degree in law, and preferably a post-university degree in European environmental legislation
- Knowledge of and expertise in the EU regulatory framework for the chemicals sector
- Experience in industry, private practice and/or institutions preferably dealing with chemicals legislation;
- Familiarity with the EU legislative and comitology process
- Speaks and writes English fluently, including good legal drafting; knowledge of other European languages is an asset
- Excellent verbal and written communication skills
- Proactivity, self-motivation and results-oriented
