

Updates in Practical Guide: Version from June 2010 vs Version from 2009

The content was structured in a new way (now 4 parts), the readability was improved, repetitions deleted and new developments taken into account (e.g. CLP regulation, new REACH Annex II for the safety data sheet, updated ECHA guidelines on use descriptors and the ES format).

Modifications mainly are related to the following chapters:

Part / chapter	Modification / amendment
Part I	
Introduction / Chemical Safety Assessment / Obligations of Downstream Users / Use of Existing Knowledge	
1 Preface and Introduction	New figure 1: Overview on content of the Practical Guide
2.4 Roles and tasks: The principal of shared responsibility	extended
2.5 Substances, mixtures and articles under REACH	new
3 The chemical safety assessment	updated structure
3.5 CHESAR – the ECHA IT tool for chemical safety assessment	new
5.1 Changes in the safety data sheet through REACH	Note on the new provisions up from 1/12/2010
5.2 IT-implementation of safety data sheets and the European Standard phrases catalogue (EuPhraC)	Note on European Standard Phrases catalogue (EuPhrac) inserted
7 Downstream users and the implementation of REACH	Detailed description including scaling
Part II	
Exposure Scenarios and Communication in the Supply Chains	
9 Exposure scenarios	new structure of chapters
9.2 Standard format for exposure scenarios	Updated based on updated ECHA Guidance from May 2010 on format of exposure scenarios
9.3 The Use Descriptor System and the Title Section of exposure scenarios	Updated based on updated ECHA guidance from March 2010 on Use Descriptor System
9.7 Process for the development of exposure scenarios	Update of GES/SES process, including CEFIC GES CSA Workers
10.1 Communication in the supply chains - The Task and the present situation	new
10.3 The CEFIC/FECC/DUCC approach for the structuring of communication on uses	Extention explaining DUCC UseR format
10.6 Central documentation and publicly available data platforms	Description of CEFIC instruments and libraries extended and updated
Part III	
REACH and Mixtures	new (Version March 2010)
Part IV	
Supplement Exposure Estimation	Description of the update of ECETOC TRA (version 2) (chapter 1.2.4.1, chapter 3.2.5)
