Choose the Responsible Care category*

A project can only be submitted to one category. The category is determined by your project's main activity. See the "[Eight Responsible Care categories](#)" for more details.

- Communications
- Energy Efficiency/SPICE3
- Occupational Health & Safety
- Product Stewardship
- Distribution
- Environment
- Process Safety
- Security

Summary *

Please describe your project, outlining its aim and objectives. (Max 600 words).

Action Plan/Timeline *

Please list the past and future actions, deliverables and milestones of your project or programme, together with implementation dates. (Max 600 words)

Additional information *

Additional supporting materials for your entry (short video, powerpoint presentation, brochures, etc.) which show the project and its effectiveness, must also be submitted in a clear, concise and well-presented form. Only submit information about the project: generic marketing material is not appropriate.
