

European Responsible Care Awards 2016 | Terms and Conditions

All entries must follow the terms and condition rules. Projects must meet all criteria otherwise they will be excluded from further evaluation.

- The European Responsible Care Awards are open to all European companies, sites, national associations and Cefic sector groups, provided they have signed up to Responsible Care or have a Cefic Responsible Care Partnership Agreement.
- Projects must be fully operational and not more than five years old starting from planning stage until project implementation.
- Each company/national association will be allowed to submit several applications. However, one project can only be submitted to one Responsible Care category.
- All projects will be assessed on the basis of their exceptional performance and the judging criteria.
- All entries must be provided in English and submitted by email to Katleen Raes (kra@cefic.be) by using the Responsible Care Awards application form. An acknowledgment email will be sent to confirm the entry.
- Additional supporting materials for your entry (short video, powerpoint presentation, brochures, etc.) which show the project and its effectiveness, must also be submitted in a clear, concise and well-presented form. Only submit information about the project: generic marketing material is not appropriate.
